

# UA Co-op ListServ

An Internet discussion list has been established for the exclusive use of the Alabama Co-op Program and current co-op students. This list will be used for communication purposes from the office to co-op students, as well as for exchanging information among co-op students (e.g. housing subleases, etc.)

To Subscribe to this list, send an e-mail to:

**LISTSERV@BAMA.UA.EDU**

with the only text being:

**SUBSCRIBE UACOOB FIRSTNAME LASTNAME**

*(Note: if you have an auto-signature block for your e-mail it must be removed or the listserv will interpret it as part of the command)*

To send a message use:

**UACOOB@BAMA.UA.EDU**

We hope this new addition will benefit students and make the program processes more efficient.
